

[Foreign nationals are welcome! Admission Free!]

Let's experience the rich nature of Japanese country life!

"Slow Life Experiences in Sera"

We are looking for participants who can join a special tour (1night 2days with 3 meals)

You can experience real Japanese country life by visiting real farmers and staying with local people You can also relax while being completely surrounded by nature. Now, you might ask, where is this place?

It is Sera Town in Hiroshima Prefecture, there is a farm where you can enjoy fruits and seasonal flowers. You can also stop by Sera Winery and enjoy their wine.

Sera Town is a wonderful place to really get into the life and culture of the area

Participation conditions are very simple.

1. Register as "HIT Hiroshima Tourism Ambassador" 2.Answer the questionnaire after the tour.

A HIT Hiroshima Tourism Ambassador is a person who loves Hiroshima and conveys its charm to others. The only condition to apply is "I like Hiroshima"! That's all! Currently, there are more than 3,000 HIT Hiroshima tourism ambassadors, including those outside the prefecture.

If you become an ambassador, you will be able to enjoy more new tour experiences around Hiroshima like this one, participate in meeting exchanges between ambassadors, and get an original business card if you wish. There is no doubt that life in Hiroshima will be more fulfilling!
